

INSTAPJE 1

WHY TAKE PART IN INSTAPJE 1?

FUNDAMENTAL CHANGES IN YOUR CHILD'S DEVELOPMENT START FROM THE AGE OF 1. MOST TODDLERS LEARN TO CRAWL AND WALK WELL AT THIS STAGE. THEY ARE EAGER TO GRAB EVERYTHING AROUND THEM AND EXPLORE THEIR ENVIRONMENT. YOUR CHILD INCREASINGLY WANTS TO DO THINGS INDEPENDENTLY AND RESPOND IN THEIR OWN WAY. DURING THIS PERIOD, LEARNING AND CURIOSITY ARE AT THE CENTRE OF DEVELOPMENT.

INSTAPJE 1 THEREFORE OFFERS YOU, AS A PARENT, VALUABLE ADVICE TO HELP YOU GROW AS WELL.

YOU DO INSTAPJE 1 TOGETHER!
